Labrador-Grenfell Health Welcomes New Family Physicians to the Labrador West Health Centre

Labrador-Grenfell Health is pleased to welcome Dr. Kabanga Leon Ntambwe and Dr. Haitham M.O. Abumeis to the Labrador West Health Centre. Both family physicians have recently moved to the Labrador West area and begun providing services at the hospital this month.

Labrador-Grenfell Health would like to thank Dr. Willy Yogolelo and Dr. Osagie Igbinoba for their dedicated service to residents of the Labrador West area and wish them well in the future. Due to unforeseen circumstances, Dr. Samuel Oyinloye's private practice will be temporarily closed as of February 22, 2019.

Recruitment strategies for additional family physicians continue throughout the Labrador West area and across the region.

For more information on Dr. Ntambwe and Dr. Abumeis, please see the Backgrounder below.
