***ST. ANTHONY FAMILY DENTAL CLINIC***  
***OPENS JUNE 16***

Labrador-Grenfell Health is pleased to welcome the establishment of "The St. Anthony Family Dental Clinic" as a privately-run dental service, in the Mission Store Building, St. Anthony, effective June 16, 2016.

A team of dedicated and experienced dentists, including Dr. Munir Ahmad, Dr. Pat Redmond, Dr. Danny Pond and Dr. Paul Hurley, will be providing services at the Clinic.

Clients of the former Labrador-Grenfell Health Dental Clinic in St. Anthony are being welcomed into the new practice and will have their treatment files transferred over automatically.

The telephone number for the Clinic is not changing and clients can continue to call 454-0226 for appointments and enquiries.

The St. Anthony Family Dental Clinic looks forward to offering clients in the St. Anthony and surrounding area a wide and growing range of quality dental services. Further information will be provided over the coming months.
