

## **The Foundation**

*The Grenfell Foundation is a registered charitable organization created to support the work of the Labrador-Grenfell Regional Health Authority. Funds raised are used for priority medical equipment relating to the services that Labrador-Grenfell Health provides.*

### **The Need For Your Support**

*Your support of equipment purchases enables Labrador-Grenfell Regional Health to keep pace with medical advances and technology. The Grenfell Foundation is extremely grateful for the many generous donations we receive.*
