PUBLIC SERVICE ANNOUNCEMENT

Labrador-Grenfell Health Working to Resolve Issues with Chemotherapy Equipment

(Happy Valley-Goose Bay, NL): Labrador-Grenfell Health is currently experiencing difficulty with the chemo preparation equipment at the LHC and is actively working to resolve the issue.

LGH is committed to minimizing any disruption in services and ensure the safe delivery of chemotherapy services .

Labrador-Grenfell Health continues to prioritize patient care and is contacting affected clients directly to work on the next steps in their treatment.

LGH apologizes for any inconvenience experienced by our clients. We hope to have these issues resolved in a timely manner.
