PUBLIC SERVICE ANNOUNCEMENT

**CT Scan services temporarily unavailable at the
Labrador West Health Centre**

(Labrador City, NL): Labrador-Grenfell Health is currently unable to carry out computed tomography (CT or CAT) scanning at the Labrador West Health Centre and is actively working to resolve the issue.

CT Services are expected to resume by July 21st. In the interim, Labrador-Grenfell Health continues to prioritize patient care and is working with patients to provide access to timely service for urgent and emergent cases.

Labrador-Grenfell Health apologizes for any inconvenience experienced by our clients and is making every effort to restore the service as soon as possible.
