PUBLIC SERVICE ANNOUNCEMENT

Revised: Community Health Services Clinic now operating seven days a week.

Labrador-Grenfell Health wishes to clarify information provided in a previous public service announcement regarding the Ambulatory Care Clinic at the Labrador Health Centre in Happy Valley-Goose Bay.

The Community Health Services' clinic offers services such as dressings, intravenous therapy, sutures and injections to clients who have been referred. The clinic is located in the Community Health/Home Care/ Public Health wing at the Labrador Health Centre. Previously, the clinic was offered Monday to Friday 8:00 a.m. to 4:00 p.m. Services are now expanded, as of June 1st, to operate seven days a week between 8:00 a.m. and 4:00 p.m.

For more information on services provided and how to access the clinic, please contact:
