## ***PUBLIC SERVICE ANNOUNCEMENT***

### **Visitor Restrictions in Effect at Long Term Care, Happy Valley- Goose Bay, North: Wing B**

Due to the presence of influenza-like illness, visitor restrictions are in effect at the Long-Term Care, Happy Valley- Goose Bay, North: Wing B. **The general public is asked to refrain from visiting the long-term care unit until further notice.**

Only those family members who have been designated, can visit at this time.

The following precautions are recommended for designated family members at this facility:

- Wash or sanitize your hands thoroughly before entering and leaving this facility.
- Check with nursing staff before visiting the residents' room.
- If you are experiencing any flu-like or gastrointestinal symptoms such as cough, fever, runny nose, nausea, vomiting or diarrhea etc.; please do not visit the Long-Term Care Unit until at least 48 hours after your last symptoms.
- Comply with any other instructions from staff.

If you have questions, please call:

Nurse in Charge  
709-896-2469

Thank you for your cooperation in helping prevent the spread of illness. For more information on influenza prevention, visit the Labrador-Grenfell Health website at [www.lghealth.ca](http://www.lghealth.ca)
