PUBLIC SERVICE ANNOUNCEMENT

Visitor Restrictions lifted at Long-Term Care, Labrador West Health Centre

(Labrador City, NL) Labrador-Grenfell Health is advising the public that visitor restrictions have been lifted at Long-Term Care, Labrador West Health Centre in Labrador City.

Visitor restrictions were imposed on May 22, 2019 due to the presence of gastrointestinal-like illness.

The public is asked not to visit the long-term care unit if they feel ill or are experiencing flu-like symptoms. For infection prevention, the public is strongly encouraged to wash their hands frequently, cover their coughs or sneezes with a tissue or the crook of their arms, and refrain from touching their faces.

Labrador-Grenfell Health thanks the public for its cooperation.
