**Labrador-Grenfell Health advises public of Labrador West
physicians accepting new patients**

Labrador-Grenfell Health recognizes the importance of accessing primary care and continues to recruit for vacant positions across the region. The authority is currently in the advanced stages of recruiting physicians for the Labrador West area.

We encourage residents in the Labrador West area who are seeking a family physician to contact the clinic of Dr. Helal Abugreen or Dr. Haitham M.O. Abumeis. Both physicians are currently accepting new patients.

Dr. Helal Abugreen

Gallery Building - 201 Humber Avenue

(709) 944-5116

Dr. Haitham M.O. Abumeis

Gallery Building - 201 Humber Avenue

(709) 944-7995

Please note that as these physicians build their new practices, patients may experience a delay before receiving their first appointment.

Labrador-Grenfell Health would like to thank the public for their patience during this process.
