Labrador-Grenfell Health extends condolences following the passing of Dr. Wieslaw Rawluk

Labrador-Grenfell would like to extend condolences to the family and loved ones of Dr. Wieslaw Rawluk following his recent passing and in honor of his medical contributions to the residents of the Labrador-Grenfell Health region.

Dr. Rawluk practiced on the Northern Peninsula in St. Anthony before moving to Labrador in 1989 where he delivered outstanding care and established himself as a pillar of the Upper Lake Melville area for more than three decades.

Labrador-Grenfell Health thanks Dr. Rawluk's family for his many years serving the residents of Labrador and for the leadership he provided to his many colleagues throughout the region.
