PUBLIC ADVISORY

Changes to schedule for chartered Schedevac air service on South Coast

Effective March 23, 2020, Labrador-Grenfell Health's chartered Schedevac air service to the South Coast of Labrador and Northern Peninsula will be changing its schedule to fly on Tuesdays and Thursdays. In addition, service to Blanc Sablon will be added to this route to accommodate service in the Forteau area.

The service to the North Coast will maintain its current schedules, Mondays, Wednesdays and Fridays.
