PUBLIC ADVISORY

Entrances to hospitals for emergent, urgent and non-urgent visits

Effective June 1, 2020, anyone seeking emergency services within Labrador-Grenfell Health hospitals must use Emergency Department entrances. When possible, we encourage the public to call ahead and staff will provide COVID-19 screening before presenting to the site.

Those presenting to a site as a visitor or for non-emergent services please continue to use the designated entrance below. Please note the change for those seeking Emergent care.

Labrador-Grenfell Health continues to provide screening at these entryways between 8:00 a.m. and 10:00 p.m. Please respect social distancing measures, answer questions and follow instructions provided.

If you require an ambulance, please call 911 and ensure you advise of:

- Travel history
- If you had contact with someone confirmed with COVID-19
- If you are in self-isolation
- If you have fever, cough or shortness of breath

To help reduce the spread of illness:

- Wash your hands often.
- Cover your coughs and sneezes.
- Avoid touching nose, eyes and mouth.
- Stay at home if you are sick.
- Keep a minimal distance of 2 metres/ 6 feet between people (social distancing).

Please check our website regularly for updates on Labrador-Grenfell Health services including current restrictions in place at all our facilities. (www.lghealth.ca/covid-19) We would like to thank the public for their ongoing support and cooperation during this difficult time. We must all work together to protect the safety of our communities.
