PUBLIC ADVISORY

Disruptions to phone lines in areas of Labrador

Labrador-Grenfell Health is advising residents of current disruptions to long-distance phone lines in Labrador affecting Cartwright, Black Tickle, Charlottetown, Port Hope Simpson, St. Lewis, Mary's Harbour and Forteau communities.

Residents who require emergency health services should call 9-1-1 for assistance. Those who cannot access 9-1-1 are asked to proceed directly to the nearest Labrador-Grenfell Health facility for assistance.

Labrador-Grenfell Health is working with the service provider to restore services and apologizes for any inconvenience this may cause.
