

Revised: Nov 24, 2021

**Labrador-Grenfell
Health**

**Advanced Care Paramedic
Permanent Full-Time
Location: Happy Valley-Goose Bay/Mani Ashini Clinic**

The Advanced Care Paramedic performs independent advanced medical care and intervention to patients at pre-hospital scene settings. This includes operating ambulances in responding to emergencies and routine calls; conducting physical examinations; performing comprehensive assessments and tests; interpreting a variety of tests and procedures; initiating a variety of advanced interventions; and performing other related duties as required. Work is performed with considerable independence and is reviewed through observation, examination of records and reports and the presence or absence of valid complaints. Advanced Care Paramedics report directly to the Emergency Services Manager. The base for this service is located at Labrador Health Center with a secondary base located in Sheshatshiu.

Qualifications:

- ✓ Completion of an Accredited Advanced Care Paramedic (ACP) Program from Canadian Medical Association is required;
- ✓ Current registration with the Provincial Medical Oversight Program as an ACP at the time of commencing employment;
