

January 20, 2022

***PUBLIC ADVISORY***

**COVID-19 (second dose) vaccine clinics for children 5 to 11 years**

Starting on Saturday, January 22, Labrador-Grenfell Health is offering second dose vaccine clinics for children aged 5 to 11 years. These vaccine clinics are by appointment only (no walk-ins), with both day and evening appointments available (Monday to Saturday). Times may vary depending on your community/health facility.

To book a second dose COVID-19 vaccine for children aged 5 to 11, please visit <https://www.lghealth.ca/vaccine> or call **1-833-960-3643**.

**Important Reminders**

- Please check your aftercare sheet to determine when your child is eligible to receive a second dose of the COVID-19 vaccine.
- There must be at least 2 weeks (14 days) between receiving a COVID-19 vaccine and any other vaccine (e.g. flu shot or school vaccines).

**Even after getting a vaccine or booster, it's important to continue to follow all public health guidelines to protect yourself, your loved ones, and your communities.** Wear a mask. Keep a safe distance from others (2 metres). Stay home and call 8-1-1 if you feel sick.
